## Vaudeville at Wheeling Park.

Last evening another good crowd saw the vaudeville performance at the Wheeling Park Casino, and thoroughly enjoyed all of the six acts. De Beere, the sleight of hand man, distinguished himself and made a decided hit. Today the company will entertain the A. O. U. W. visitors and there will be no regular performance in the evening. Tomorrow a matinee will be given for the ladies and children, and they should not miss it. In the evening, Mr. Hughes' concert occurs, and on Friday and Saturday evenings and Saturday matinee, vaudeville will claim the boards again. The performance is

clean, clever and bright, and deserves big houses. Popular prices rule and special motors run to and from the casino.

## STATE EMBALMING BOARD

## A "CHANGE" BREAKFAST

Getting Ready for Warm Weather.

A complete change in breakfast would, at this time of year, improve the health of anyone.

Meat, potatoes and coffee become tiresome. The system calls for a change, but what to? Hot, and half cooked pastry and starchy cereals are unattractive.

Vegetables taste good but furnish too little nourishment to sustain one until the next meal, particularly if brain work is required.

A most appetizing, convenient and healthful breakfast can be made on Grape-Nuts, (a ready cooked food) a little cream or milk, some fruit and perhaps two soft eggs.

(Pint tin cup of sharply boiling water, put in two eggs, not one, nor three, cover and set off stove; serve in just nine minutes. Whites will be like cream and half digested). The Grape-Nuts food is concentrated, and but three or four teaspoons should be used at one meal, that amount furnishes full strength and nourishment up to the next.

A change from the old breakfast to one like this will refresh and invigorate the system in a surprising manner. Good food in proper variety and a contented mind, solves the whole health problem.
